Hours: 6:30am-6:00pm

Infants & Toddlers

Language development is fostered by reading stories, singing and engaging in age appropriate activities. Infants ages 6 weeks-12 months have unique needs that are met with our small child to teacher ratio in **Backyard Fun**. Teachers spend time rocking and cuddling our youngest students in a warm and safe environment. Young Toddlers ages 13-24 months experience more structure with learning centers, circle time, music, movement, and art in **Busyland**. Older Toddlers, ages 24-36 months, learn independence, social skills, self-regulation, letter recognition, math skills, science, and language development in **Candyland**.

Pre-School/ Pre-K/ Kindergarten

The pre-school class, ages 3-4 year olds, experience a learning adventure in the **JUNGLE**. The PA Early Learning Standards are incorporated in the curriculum using learning centers designed especially for threes to explore. Weekly themes are used to introduce pre-reading, math and science concepts as well as exploring feelings and learning to play with peers. Children in the Pre-K class, ages 4-5 years of age spend their days in a cheerful classroom called **EXPLORERS**. The PA Early Learning Standards

are implemented in this classroom using learning centers including: Art, Music, Reading, Math and Manipulatives, Blocks, Imaginary Play, Educational table games and Sensory exploration. As members of the Association of Christian Schools International, Pennridge Christian Academy also offers a private full day Kindergarten class taught by a certified teacher. The school year corresponds with the Pennridge school district calendar.
